Play^{IN} Serfaus

The indoor playground directly at the Komperdell bottom station in Serfaus cable ride in Serfaus offers everything a child's heart desires: Games - Fun - Sport - and all indoors! An enormous playtime paradise for kids and teenagers.

12 different climbing walls (fully automatic security system) are available in the large climbing hall. Each "line" has its own theme: a volcano can be erupted on one line, or you can climb against the clock in speed competitions on another. The two Geometrix lines are certainly a highlight: two free-standing climbing towers in the centre of the hall (climbing shoe hire on-site!). The Boulder Room resembles a large chemistry lab. The Softplay facility is another highlight which extends over six floors! A ball pit, ramps, a tube slide, etc., await the kids.

Open Daily from 1pm to 7.30pm.

Further information about activities and events in our leaflet "Highlights. 2019/20."!
